

Why a Pathways Pocket Guide?

Pocket Guides are designed to help you quickly reference your Pathways progress and next steps.

To fully understand and complete your Path, you must log in to Base Camp **before** and **after** meetings.

1. This Pocket Guide solves a real member problem.

- "I forget what to do next"
- "What comes after my Ice Breaker?"

2. This Pocket Guide provides "bite-sized learning"

- Short
- Practical
- Actionable

Use your Pocket Guide before the meeting to confirm your next step in seconds—but but remember, it never replaces Base Camp.

After the meeting, log in to Base Camp to complete your project and receive credit.

Resource: Visit the Pathways Pocket Guides page (See link below) to choose a printable guide for your path.

The page currently includes guides for six paths and explains that these tools help members keep project details and skill focus areas within reach.

PATHWAYS

ENHANCEMENTS

Think of your Pocket Guide
as your quick reference.
But Base Camp is where
the real work happens.

Motivational Strategies

Build powerful communication,
motivation, and team leadership skills
